Remains in play. May be cast on the wizard herself as long as she is on foot. While active, she gains Fly and Terror, +2 S, +2 T and +3 A. The effects of all magic items are ignored for the duration of this spell, as they are transmogrified along with the caster. While in this form, she follows all the rules for Monstrous Beasts.			The Priest and his unit may re-roll failed rolls To Wound in close combat until the start of the next friendly magic phase.			All enemy units in base contact with the Priest suffer -1 to their WS and I, and an additional -1 for each turn that this spell lasts (Minimum of 1). Remains in Play.		

The caster nominates a point on the battlefield. Roll an Artillery dice and double the result - this is the distance in inches (measured from the nominated point) that the Ice Storm affects. If a Misfire is rolled, it affects the entire battlefield. Until the start of the caster's next magic phase, all units caught in the Ice Storm suffer -2 to hit with missile weapons, and units that do not fire using BS can only fire by rolling a 4+ on a D6. In addition, all units inside the radius of the Ice Storm suffer 2D6 S 2 hits.
