Targets a single forest within range of the caster. If there are no units within the forest, it immediately moves up to D6+1" in a direction of your choice. A forest cannot move to within 1" of units or other terrain features.

If there is at least one unit (friendly or enemy) within the forest, then the forest does not move. Instead, choose a single enemy unit at least partially within the forest; that unit immediately suffers 2D6 S 4 hits. Boosted version targets all forests within range.
