Nippon

Light of the Sun Goddess	Light	of	the	Sun	Goo	dess
--------------------------	-------	----	-----	-----	-----	------

8+/11+ • 24"/48" Instant

Causes D6 S 4 hits. Enemies that suffer a casualty suffer -1 to their WS and BS until the start of the caster's next magic phase.

Nippon

Invocation of the Kami

- Instant

The caster may attempt to appease the Kami at the start of the Magic phase by passing a LD test. If passed, the caster may add +1 to their casting roll for every double rolled when casting a spell. If failed however, they will take a S 4 hit which Ignores Armour Saves.

Nippon

Be the Mountain

7+/14+ • 12"/12" Instant

Remains in play. Whilst the spell is in effect, the affected unit will be Stubborn. Boosted version also gives Natural Armour (5+).

The target unit may immediately make a move using Fly (10) as if it were the Remaining Moves subphase.

Nippon

Void of Emptiness

11+/14+ • 18"/36" Instant

Until the start of the caster's next turn, the target unit may not move at all in its next Movement phase and gains Immunity (Psychology).

Nippon

Call of the War God

16+/24+ • 12"/18" Instant

Targets all friendly units with Way of the Warrior within range of the caster. Until the start of the caster's next magic phase, the target units gain Devastating Charge and may re-roll all failed rolls To Wound in close combat.
