Lore Of Saphery

0 Courage Of Aenarion

10+ • Range 15" Instant

Remains in Play. Whilst this spell is in play, the target friendly unit gains the Unbreakable special rule. If this spell is cast, the effects of any other Enchantment previously cast on the target unit immediately expire. This spell may target a friendly unit engaged in combat.

Lore Of Saphery

0 Vaul's Unmaking

11+ • Range 12" Instant

This spell can only target enemy characters. However, it may target any enemy character that is within range and that the caster can draw a line of sight to, regardless of the usual rules for targeting characters, and may even target an enemy character that has joined a unit or that is engaged in combat. The casting player chooses a single magic item carried by the target. This magic item is immediately 'unmade', rendering it completely useless. The chosen magic item cannot be used for the remainder of the game. A Wizard with the 'Lore of Saphery' special rule may discard one of their randomly generated spells as normal. When they do so, they may select instead either the signature spell of their chosen Lore of Magic, or one of the spells listed below.
