| Remains in play. Whilst this spell is in play, friendly units within the Command range of this model may re-roll any failed Stupidity tests. Additionally, if a friendly unit within the Command range of this model when this spell is cast failed its Stupidity test during the Start of Turn sub-phase of the same turn, it may immediately make this test again. | Place a small (3") blast template so that its central hole is directly over the centre of the target enemy unit. Once placed, the template will scatter D3+1". Any enemy model whose base lies underneath the template's final position risks being hit (as described on page 95 of the Warhammer: the Old World rulebook) and suffering a Strength 3 hit with an AP of -2. | Remains in Play. Whilst this spell is in play, the target enemy unit becomes subject to the Stupidity special rule and reduces their Leadership characteristic by 1. | Until the end of this turn, all friendly units that have the Stupidity special rule and are within 12" of the caster gain a +2 modifier to their Movement characteristic. | | |
