THE IX AGE
FANTASY BATTLES

CROWN OF THE
WIZARD KING SPELL

The target suffers span style="color: #ff0000;">D6/span> span style="color: #0000ff;">[D6+1]/span> hits with Strength span style="color: #ff0000;">D6/span> span style="color: #0000ff;">[D6+1]/span>, Armour Penetration span style="color: #ff0000;">2/span> span style="color: #0000ff;">[3]/span>, and Magical Attacks.

span style="color: #ff0000;">Immediately after successfully casting this spell, roll a D6./span>
span style="color: #0000ff;">[Choose which effect to apply when casting the spell.]/span>
- span style="color: #ff0000;">If 1-3 is rolled,/span> the target suffers -1 Resilience.
- span style="color: #ff0000;">If 4-6 is rolled,/span> the target suffers -1 Strength and -1 Armour Penetration.

The target gains Breath Attack (Strength D3+2, Armour Penetration 1, Magical Attacks).
(Roll the D3 immediately after successfully casting this spell.)
span style="color: #0000ff;">[This spell may only target Characters, Champions, and single model units.]/span>

Place a counter on the target point. At the end of each subsequent Magic Phase roll a D6; if 1-3 is rolled, add another counter on the same point. If 4-6 is rolled, each unit within (2D6+X)⬡, where X is equal to the number of counters, suffers 2D6 hits with Strength 5, Armour Penetration 2, and Magical Attacks. If a unit fails a Panic Test forced by the spell, it flees directly away from the marked point. The spell then ends, remove all counters.

Effect

The Caster rolls D3+1 and the target rolls D3. If the Caster's roll is higher, the target suffers a number of hits equal to the difference between their respective rolls. These hits wound automatically with Armour Penetration 10 and Magical Attacks.
